Job Title: ITI Fitter

Location: Delhi NCR/ Ambala

Salary: As per industry standards and Experience(₹16,000 – ₹18,000 per month/ 26 days / 8hrs)

Employment Type: Full-time

Job Summary:

We are looking for a skilled **ITI Fitter** to assemble, install, maintain, and repair mechanical components and machinery as per technical drawings and specifications. The candidate should have hands-on experience with fitting tools, measuring instruments, and workshop safety practices.

Key Responsibilities:

- Read and interpret **engineering drawings and blueprints**
- Assemble and fit **mechanical parts, tools, and equipment**
- Perform **cutting, filing, drilling, grinding, and welding (basic)** tasks
- Use **measuring instruments** such as vernier calipers, micrometers, gauges, etc.
- Install and align machinery and components accurately
- Carry out **maintenance and repair work**
- Follow **safety standards and workplace guidelines**
- Coordinate with supervisors and team members to meet project timelines

Qualification & Requirements:

- **10th Pass** (Science & Mathematics preferred)
- **ITI Fitter Certificate** from NCVT / SCVT recognized institute
- **1–3 years of relevant experience** (fresher's may be considered)
- Good knowledge of **fitting tools and mechanical processes**
- Ability to work independently and in a team

Skills Required:

- Mechanical aptitude
- Problem-solving skills
- Attention to detail
- Physical fitness

Benefits

- Overtime as per company policy.
- Stable work through Balaji Manpower Recruitment.
- Growth opportunities based on performance
